Engage

10-14 DAYS & 2-6 WEEKS

Grow your global perspective as you serve on a team teaching English to children, teenagers, or local teachers in the spring or summer. You'll get a glimpse of what life is like overseas as you teach, build relationships, and change lives.

GAP

9 MONTHS

The **Global Ambassador Program**. Mentorship and professional development courses will help you gain the tools you need for a lifetime of impact. Be immersed in the culture as you learn, grow, travel, and serve alongside a team of young professionals for 9 months in Thailand, Tunisia, or Uzbekistan.

Legacy

1 YEAR OR MORE

Impact future leaders in amazing places as you teach at a university, K-12 school, or community center. Teams invest meaningfully on campuses and in local communities overseas.

Master's+ Earn your graduate degree online while overseas! We partner with accredited universities to offer up to a 57% discount off select master's and PhD programs while you teach overseas.

Why English Education?

Teaching English at the invitation of governments, universities, and schools opens a door into the hearts and minds of future leaders around the world.
